ICIAI2025

9th International Conference on Innovation in Artificial Intelligence

Venue: NTU@One-North, Singapore

March 13-15, 2025

Call for Paper

About ICIAI

I. Eight-year history: internationally renowned computer experts IEEE Fellows join the conference to share their latest research results. You can get the opportunity to communicate with them. Domestic and foreign colleges and universities select papers to participate in the excellent selection, stable EI Compendx / Scopus retrieval;

Second, stable committee lineup. Waseda University, Japan, IPSJ Fellow-Prof. Hayato Yamana as the chair of the conference, and Prof. Sheng-Uei Guan from Xi'an jiao-tong Liverpool University as the chair of the conference;

Third, explore the innovative achievements of AI application. Attracting exhibitors and sponsors from home and abroad.

Fourth, Singapore, the beautiful garden city, combination of diverse culture and technology. Suitable for students' first foreign visit to exercise pilot.

V. Nanyang Technological University as a meeting place, participants can visit Nanyang Technological University as an audience, as a reference for future visits to study abroad, a rare opportunity.

Our Mission

Co-Sponsored by Waseda University, Xi-an Jiaotong Liverpool University, assisted by Harbin Institute of Technology, Xiamen University; Assisted by Many international institutes. We hope that the conference results constituted significant contribution to the knowledge in these up to date scientific field. We sincerely welcome the submissions all over the world.

Publication

All the registered and presented papers will be published in Conference Proceedings; published in Lecture Notes in Electrical Engineering as a proceedings book volume. Conference contents will be submitted for inclusion into Ei Compendex and Scopus.

Submission

write your paper according to the publication's template and submit the paper to: iciai2018@vip.163.com
Or you could log in Iconf.org http://confsys.iconf.org/submission/iciai2025

Important Dates

December 10, 2024 — Paper Submission Deadline
December 20, 2024 — Notification Date
January 10, 2024 — Registration Deadline
March 13-15, 2025 — Conference Dates

Schedule Overview

Date	Time	Activity
March 13, 2025	09:00-16:00	Registration, collecting conference materials
March 14, 2025	09:00-12:00	Opening Remarks & Keynote Speeches
	13:30-18:00	Parallel Sessions
March 15, 2025	10:00-16:00	Visit / Tour

Topics *Topics of interest include, but are not limited to:*

- Artificial Intelligence and Technology All the registered • Natural Language Processing • Computer Vision • Bioinformatics • Robotics and Related Fields • Speech Understanding • Expert Systems • Multi-agent Systems • Knowledge Engineering • Distributed Intelligent Processing • Concurrent and Parallel Processing • Intelligent Database Systems • Neural Network Theory and Architectures • Hardware Implementations • Fuzzy Computing with Words • Evolutionary Design
